Why Fusion:Bangor?

As a member, business partner or volunteer with Fusion:Bangor, you're helping to shape the economic, social and recreational future of the Bangor Region. Fusion:Bangor was founded as a collective voice for young professionals who want to make a difference in their region, meet and mingle with folks of like age and mind and make the Bangor Region a better place to live and work and play, for all generations.

- ▶ **For those in the Bangor Region looking for opportunity** to create, advance or enhance your business and personal life, we invite you to become an active member of Fusion:Bangor. Business and social networking is key to finding opportunities in a variety of interests and Fusion:Bangor can introduce you to an entire network of energetic and enthusiastic folks.
- ▶ **For those of you "from away" or examining the Bangor Region** as a place to live and work, we invite you to participate and get a personal, inside look at what this region has to offer you and your family. Fusion:Bangor is a doorway to all the wonderful cultural, social, recreational and economic opportunities available.

A large, light grey watermark of the Fusion:Bangor logo is centered on the page, behind the main text.

Fusion:History

FUSION Bangor was inspired by the original FUSION program (www.fusionsj.com) initiated in Saint John New Brunswick to promote networking and activism among Greater Saint John residents aged 19 - 40. The idea was exported during the Bangor Region Chamber of Commerce's efforts to revitalize Bangor's Sister City relationship with Saint John. Stephanie Bell, the program's originator in New Brunswick has advised Chamber staff on starting the program.

FUSION:Mission

Our mission is to forge a connection between residents and students who are interested in enjoying our community and creating energy to make a positive impact on the growth and development of our region.

FUSION:Goals

1. Enjoy each other's company and our region!
2. Form a network of support among young residents and urge those poised to leave or return to the Bangor region to realize opportunity here.
3. Enact change and/or support initiatives that enhance the vitality of the region
4. Exemplify and promote a positive image of our region
5. Help make the Bangor region more attractive, economically, culturally and aesthetically
